

Lenten

GOOD DEEDS

stained glass coloring chart

CREATED BY MARIA GAVIN

From My Classroom to Yours

Hello and thank you SO much for downloading this free Good Deeds Chart.

My students love doing good deeds and recording their acts of love on this Lenten chart. Print a copy of the chart for each student in the class and watch the charts gradually fill with colors each time a good deed is completed.

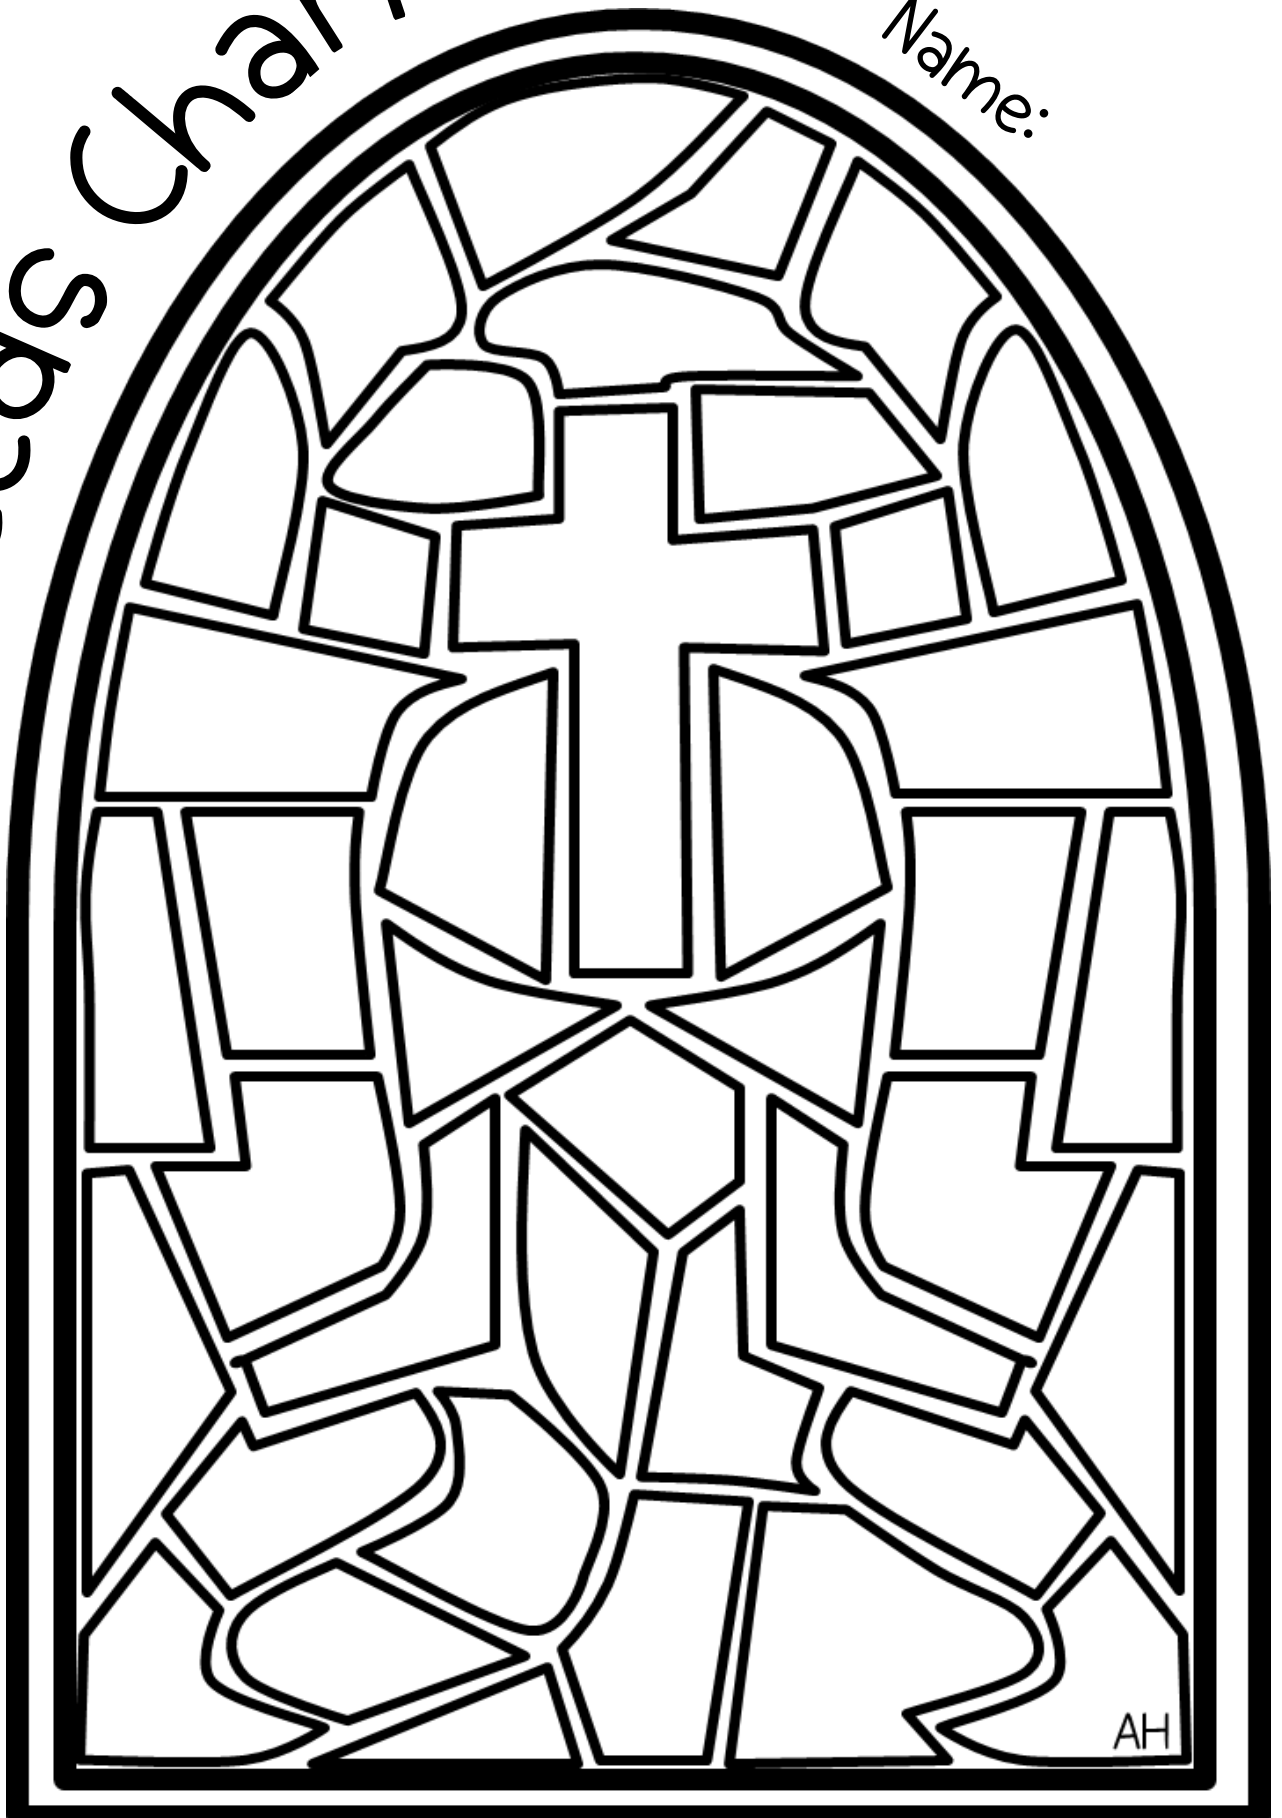

Teacher Tip: You can use this Good Deeds chart in the classroom or send a copy home for students to chart their loving actions with their families.
